### March 24-26, 2023

phase A\_study of building system,  
listening to associations and citizens

### April, 15-21 2023

phase B\_design+build+presentation-  
inauguration

**Objects for the Festival and for the City** is open to 12 students/students or recent graduates from bachelor's, master's and doctoral programs in architecture, design and landscape.

The workshop will be held in Ferrara.

Participation in the workshop is subject to **payment of the membership to the association atelier mobile** (5 euros) in order to take advantage of the insurance coverage.

Travel and accommodation in Ferrara are the responsibility of the participant(s).

Meals and overnight stays at discounted prices will be suggested.

### Application deadline: March 17

Selected participants will be notified by email by **March 19**, they will receive the detailed schedule of activities and indication of possible accommodations at discounted prices; applicants must join the workshop by paying the membership fee by **March 21**.

atelier mobile aps invites applications to participate in the design and build workshop dedicated to equipment for the **Festival Architettura** and the city of Ferrara.

The purpose of the workshop is to design a **system of elements to be placed in outdoor and indoor spaces for display, information, signaling of places and for functions that will emerge from the listening phase of the associations based in Ferrara.**

A common project will be developed through a first phase dedicated to the selection and development of a construction system through drawings and scale models (A), which will be followed by a second phase dedicated to the design development of the various elements of the system and their construction and placement to be presented to the city (B).

At the end of the Festival the structures will be donated to Ferrara associations for use during their events.

To participate in the selection process, fill out the form downloadable from the workshop page at [www.ateliermobile.org](http://www.ateliermobile.org) and send it to [info@ateliermobile.org](mailto:info@ateliermobile.org) attaching a pdf file in A3 format consisting of 3 pages (max 5 MB) including:

/ page 1 (A4): a motivational letter (max 300 words) in which you explain why you are interested in participating in the workshop;

/ page 2 (A3): pictures of your chosen projects/works with brief description and data;

/ page 3 (A3): copy of an ID and university registration certificate.

A certificate of participation will be sent to all participants.

CFUs recognition is being requested for the students who will participate.

The activities will be subject to the regulations for the prevention of COVID-19 in force in Italy at the time of their performance.
